Call before you dig.

Be our guest for an Emergency Responder Training and Damage Prevention meeting. Firefighters receive 2 hours CEUs for completing this free training provided by your local pipeline and gas distribution companies. Law Enforcement Officers may receive 2 hours CEUs from their Council of Governments. The purpose of this training is to discuss pipeline and gas distribution safety, in addition to a discussion about the new 811 system. Training will include Government Liaison and Emergency Response. Meeting begins at 11:00AM; lunch and door prizes will be provided.

Your participation at this meeting is greatly appreciated and all persons in your organization are invited. If you cannot attend please send a representative from your organization. *There will also be an Excavators Damage Prevention meeting and dinner held at 6:30 PM, same date and location.*

There are four ways to register for training:

- View the upcoming dates on the back of this page and fax back toll free to 1-877-280-8637.
- View a complete training schedule and register at our website: www.digtess.org
- Email compliance@digtess.org
- Call Mick Roberts or Erika Hernandez toll free at 1-877-280-8636 to register or with any questions.

Sincerely,
